Semen Donations

Semen will sell at noon on sale day and proceeds will benefit the Missouri Red Angus Association. Thanks to all these donors! It is the buyer's responsibility to make arrangements for semen pick-up, unless it is available sale day.

Donated by Genex Custom Services, Strafford MO

Lot A - \$ 100 off a custom semen collection and freezing on the bull of your choice

Lot B – Mushrush Lock 'N' Load (# 1295148) 10 straws

BW 2.7; WW 57; YW 103; Milk 15; TM 44; Marb 0.40; REA 0.32

Big time growth bull with moderate birth weights and excellent carcass. Sired by Lancer R017. One of the high selling bulls in 2009 and one of Genex's top young sires.

Donated by Wildcat Creek Ranch, Newton KS

Lot C – SooLine Power Eye 161X (#1406779) 5 straws

BW -0.6; WW 31; YW 61; Milk 9; TM 24; Marb -0.09; REA -0.06.

Power Eye is sired by the \$ 70,000 SooLine dispersal sale topper and out of a wonderful dam. The Power Eye progeny will be calves to watch in the 2012 sales.

Lot D – Red Cockburn Ribeye 308U (#1416579) 5 straws

BW 3.1; WW 45; YW 76; Milk 4; TM 26; Marb -0.15; REA 0.06

WOW!!! Never before available to purchase!!! Wildcat Creek has given you an unbelievable opportunity to purchase semen on these two bulls. His progeny were the top sellers in the SooLine Dispersal and have been top sellers in those rare sales an individual has been sold. Step up to the bar here and take advantage of Dale's generosity to the Missouri Red Angus.

Donated by Ludvigson Stock Farms, Iowa and Montana

Lot E – Ryan has graciously donated 10 straws of any bull listed in their Spring 2012 Semen Directory.

This includes such bulls as Expectation, Outlook, Yield Grade, Sovereign and Night Calver. There are great bulls included that will fit any need you have from easy calvers, to carcass giants to growth leaders. Look up this lineup on Ludvigson's website.

Donated by Harmony Hills, Fair Grove MO

Lot F – Messmer Packer S008 (#1109534) 10 straws

BW -1.5; WW 46; YW 84; Milk 20; TM 33; Marb 0.37; REA 0.43

Packer continues to be one of the most heavily used bulls in the breed. His calves topped more bull sales in 2011 than any other bull. His balanced EPDs and powerful pedigree deliver exceptional calves.

Lot G – 5L Norseman King 2291 (#806707) 5 straws

BW 0.8; WW 31; YW 66; Milk 13; TM 29; Marb 0.20; REA 0.80

The carcass giant for many years – his daughters are now making their presence known in the breed and his calves are still breed favorites for overall performance with natural thickness and fleshing ability.

Semen Donations

Donated by Ozark Hills Genetics (David Hall), West Plains MO

Lot H – Red Hill B571 Julian 84S (#1147702) 10 straws

BW -3.3; WW 33; YW 64; Milk 20; TM 37; Marb -0.05; REA 0.49

The 2011 Buffalo Creek sale top selling bull – great disposition, calving ease, low maintenance and a strong EPD profile. His sons averaged over \$ 6,000 at the last Buffalo Creek sale. A real "rising star" that now resides right here in Missouri.

Donated by Bieber Red Angus Creek Ranch, Leola SD

Lot I – GP Wallace 016 (#1361942) 10 straws

BW 0.6; WW 57; YW 108; Milk 21; TM 50; Marb 0.25; REA 0.70

This Mission Statement son's bull test data makes him a real outlier for muscle and carcass power. He is in the top 1 % for WW, YW, TM, CW and RE. Top 6 % for HPG and top 20 % for the other relevant EPDs.

Donated by Don Ely/ Accelerated Genetics, Hartville MO

Lot J – C-Bar Contour 107X (#1405033) 5 straws

BW -3.7; WW 37; YW 70; Milk 14; TM 33; Marb 0.35; REA 0.39

A great son of the calving ease sire XHC Conquest – his grand dam is the powerful Brown Miss Abigrace S602. Contour has extremely well balanced EPDs for maternal strength as well as carcass and stayability.

Lot K – Fritz Justice 8013 (#1255322) 5 straws

BW 1.5; WW 73; YW 119; Milk 8; TM 45; Marb 0.12; REA -0.13

Justice combines the best of Buffalo Creek, Messmer and 5L genetics into a real power package – just look at those growth numbers! If you need to add some power to your cowherd look at this opportunity.

This is a young fall heifer out of a Brown Vacation cow that we have retained in our herd for several years. Looking at her pedigree you will see that she has many foundation bulls in her back ground. The sire of Miss Lass is Andres Champ 9018 we are very proud of what he has produced for us. He has a great disposition, calving ease, and a 17.4 rib eye. We feel this heifer has what it takes for a young junior in the show ring or to go on into a herd and make a good producing cow.

This is a very stylish heifer that would work well for a 4-H project or a replacement Female. She comes from two very easy keeping parents so feed cost should be low with good growth.

This is an interesting young female — a 7/8th 's Category 1B heifer out of a cow that is one of the best we have ever owned. If you have seen us around the fairs, you know the leopard spotted dam of this heifer — she has won the Ozark Empire several times as a cow-calf pair and was senior champion at Iowa, class winner at Denver, etc. and her daughters have won all over also. Ellie 051 is the first female we have ever sold out of this cow — stop by and look at her Mulberry sisters some time! We purposefully bred her to Schafer's great Sim-Angus bull from Berger's in Nebraska that we like so well and this is the great result. **Sells open with two straws of Messmer Packer semen.**

Lana 104 is a real show stopper! If you want a heifer that can show anywhere in the country or if you are just looking for a top cow prospect, look this girl over closely! This is the first time that you have had an opportunity to buy one of the great females from the heart of the Lacy herd – don't pass this one up! Dale and Kay Lacy quietly developed one of the best herds in the breed and rarely ever sold a female. When Dale's health failed last year, we were fortunate to bring their top females to Harmony Hills on a share arrangement – this is the top heifer from those cows. Lana is a beautiful fronted female, extremely feminine, broke to lead and she's as gentle as a beagle puppy! FLASH!! Look closely at her pedigree – it includes two of the hottest performance bulls around – Beckton Cody T085 K2 and TR Julian LT142. **Will sell with two straws of Messmer Packer semen.**

Lots 25 & 25 are a pair of really nice bred heifers that will calve in the fall. These heifers were some of our "pick" heifers from the Lacy herd last Spring. They are both sired by the 734T bull (a 5L Direct Fire grandson that also sired the \$30,000 Lacy Future we sold last Spring to Texas. **Both heifers were AI bred 12/10/11 to Bieber Make Mimi** and pasture exposed from 12/20/11 to 02/29/12 to Diamante Don Julio X115 reg.# 1381103). "Julio" is a calving ease and performance sire whose grandsire is Packer and maternal grandsire is Make Mimi. He has a BW EPD of -.4, WW 29, YW 61 and carcass EPDs in the top 25% of the breed. Take home both of these young females and you will make money on them for years to come.

JACOBSON COLLENE 9056 is a real front pasture and donor prospect. 9056 was the top selling \$5,600 heifer calf at Gary Jacobson's (Jacobson Red Angus in Minnesota) 2009 production sale. She is offered here only because we wanted to offer one of our very best. Only a three year old with a ton of productive life ahead of her. An own daughter of the syndicated 5L Summit and out of a rare Logan 210 dam. **She has a March 23 bull calf at side sired by Feddes Norse Fire 7149 ("Jake")** — our tremendous herd sire from Feddes Red Angus in Montana — one of the "golden trio" of three flush brothers that sold for \$10,000 each at Feddes 2008 bull sale (look at his picture in our pasture). Jake is sired by 5L Direct Fire and is out of a Norseman King dam — this calf will have a tremendously balanced set of EPDs. We would buy this calf back for \$1,250 at weaning.

A & S Ranch / Louis & Pam Smith
Palmyra, MO / 573-439-5843 / 573-248-9358

Open Heifers

Commercial Open Heifers

We are offering seven open commercial heifers. Lots 51-53 are 75% to 87% Red Angus born 03/15 to 04/05/2011, with an average birth weight of 77 lbs. They are moderate frame, easy fleshing, and have had two rounds of vaccinations. They are also paternal sisters out of first calf heifers. Their sire (#1345635) is a bull we raised, and his pedigree goes back to Diers Meat Wagon Elite and King Rob.

52-55

A & S Ranch / Louis & Pam Smith
Palmyra, MO / 573-439-5843 / 573-248-9358

Open Heifers

Commercial Open Heifers

These four heifers are a younger set. They are 75% to 87% Red Angus born 04/29 to 05/17/2011, and have had two rounds of shots. If you are in the market for some younger heifers with lots of volume and growth, take them home and grow them out for your fall herd. Their sire is A & S Bitterroot (#1295969). He is a 6.7 frame, dark red, and a real Power House, with plenty of shape and bone. We raised him out of our former herd sire RRRSH Axel, which we purchased from Rush Red Angus.

56-86

Bred Heifers

Commercial Bred Heifers

"Laniappe" is a Cajun word that translates into English to mean "a little something extra". We believe we are bringing something extra to you in this offering of 14 Show-Me Select qualified fall bred heifers. Here's our view on some of the "extras" you will see:

- All heifers have passed their Show-Me Select pre-breeding requirements for pelvic and RTS.
- All heifers have been Igenity DNA tested and proven BVD-PI Negative.
- All heifers have been DNA tested for parentage and the pedigree information is accurate.
- All pregnancies are ultrasound-measured safe to either their AI or pasture exposure dates.
- 9 of 14 heifers are confirmed safe to their AI date (12/10/2011) to Fedded Big Sky R9. Take a close look at our pasture exposure bull, Bieber Sequoia X355 – you be the judge who brings better genetics to their calves!

There's simply not enough room here to describe each of the 14 heifers. Please refer to our supplemental packet to look at each heifer's pedigree, performance and other relevant details as you decide on merit of each. You can view and download information before the sale by going to: www.bachmancattlefarms.com This supplemental packet will also be available at the pens and buyer sign-up tables on the day of the sale.

Salem, MO / 573-729-5941 / 573-247-8127

Cow/Calf Pair

Commercial Cow/Calf

Here we have another 3-year-old Sim-Angus cow (3/4 Red Angus, 1/4 Simmental) out of a Major League son we purchased from Harmony Hills Red Angus. This cow is more moderate in size, lighter red color, very broody and lots of thickness. She'll be selling with a heifer calf born August 20, 2011. This heifer calf is also out of our Dakota Copper son and the cow will be bred back the same way.

Home: 660-565-2581 / Terry Cell: 660-247-1650 / Barb cell: 660-214-0469

We have a small herd of registered Red Angus, with fertility, calving ease, carcass and feed efficiency being our main points of focus.

We want to welcome everyone to stop by and see us, just give us a call...we'd love to have ya!

Located 3 miles east of Hale, Missouri

Sale Terms and Conditions

TERMS: Terms of the sale are cash, check, or other terms agreed to in writing between seller, buyer, and sale manager payable immediately upon conclusion of the sale before animals will be moved. Sale Manager reserves the right to require a certified check as settlement before releasing any cattle.

PURCHASER'S RISK: All animals are the owner's risk prior to their sale and become property of the purchaser as soon as declared sold by the auctioneer.

BIDDING: Any disputes or challenges regarding bids or tie bids will be settled by the auctioneer and his decision will be final.

CERTIFICATE OF REGISTRY: A certificate of registry for each animal will be transferred to the buyer at the seller's expense.

ANNOUNCEMENTS: Any errors or changes in information contained in the catalog will be announced from the block and such announcements shall take precedence over the information contained herein.

HEALTH: All animals are eligible for interstate shipment. Interstate health papers prepared by an accredited veterinarian will be furnished on each animal sold. Arrangements for International Shipment should be made with the sale manager prior to the auction. All efforts for the exportation of cattle can be arranged through the sale manager.

BREEDING GUARANTEE: All females selling as bred have been examined and preg. status indicated on health papers. Buyers have one week to retest females at their own expense. All other breeding warranties will follow guidelines set by the American Red Angus Association.

LIABILITIES: All persons who attend the sale do so at their own risk. The seller, auction facility, and sale manager assume no liability for any accidents that may occur. Neither does the seller, auction facility, or sale manager assume liability for the loss or injury to livestock due to theft, mysterious disappearance, sickness, improper handling or Act of God. It is to be clearly understood that the sale manager and its representatives act only as a medium between the buyer and the seller. They are not responsible in any way for the failure on the part of the buyer and seller to live up to their obligations or for the truth of any warranties or representation, express or implied. Neither does the sale manager assume any financial obligations to collect or enforce collection of monies between parties. Any legal action, that may in exceptional cases be taken, must be between the buyer and the seller. This catalog has been prepared by the sale Manager from pedigrees and information supplied by sources deemed reliable, however, the sale manager will in no way guarantee the pedigree, percentages of the animals selling, or data included in this catalog. Any exceptions taken are between the buyer and the seller.

CONTRACT: The above terms and conditions of sale shall constitute a contract between the buyer and seller of each animal and shall be equally binding upon both. Each sale or resale of an animal constitutes a separate transaction.

PHONE BIDS: Telephone bids will be taken by: Jeana Sullivan: 660-734-1922; Larry Ellison: 417-838-8772; John Sullivan: 660-734-0030; Tammy Floyd: 660-734-0029
