

January 2nd, 2019

Fellow MORAA Members:

The MORAA Board of Directors & Committees have been working diligently behind the scenes in preparation for the 2019 season. As in the past, our main event will be the "Show-Me Reds Bull & Female Sale". SW Area Director Linda Campbell will once again be heading the Sale Committee as well as managing the sale. In an effort to build upon our past success, the MORAA Board of Directors remains committed to improving the sale offering and how the consigned animals are presented.

The primary purpose of the sale is to allow members, specifically members with small herds the opportunity to consign their animal(s) in a well-publicized venue. This exposure not only can provide you with a premium but it places your name in view of many breeders around the Midwest and beyond. With that being said, I would like to take this opportunity to not only invite, but encourage each & every member to consign an animal(s) if at all possible.

Please review the sale guidelines and entry information. If you have any questions or concerns, don't hesitate to contact Linda Campbell, your area director, myself or any MORAA Board Member.

Regards,

Dan Lacy
President, MORAA
